# What is Mirage Desk Screen™?

Mirage Desk Screen™ range is a high sound absorbing free standing desk screen designed to control echo and reverberation which creates a quiet space for employees. The screens are free standing and are stood on feet which are placed on top of the desk.

Our Mirage Desk Screen™ absorb sound to eliminate echo and reverberation around the working environment. Mirage Desk Screen™ core material is a compressed polyester manufactured using post-consumer recycled polyester from plastic bottles.

Our desk screen have been designed to a very specific density to achieve the correct acoustic performance and are available in 24mm thickness.
